

TEAM BANNERS

Your teams banner should have the following things

1. Team Name
2. Team Sponsor (please keep this LARGE enough to read)
3. Your team colors
4. Players names and Jersey numbers
5. Coach and Manager names

Please try to make this a fun activity for the whole team or assign a parent to make the banner but ask for each player to make their own contribution to the banner, i.e. ball with their name and jersey number.

A \$20 gift card from Jo-Ann fabrics has been included with this packet. We are asking that each team use a heavy duty felt or fabric in your teams choice of color, and for the banner to be at least 3ft. X 5 ft.

The banners should be proudly displayed in front of your team during the parade and hung on your teams fence during your games.
