Summary: How to Complete Training Through Little League University (LLU)

Volunteers complete required Little League training through **Little League University (LLU)** on LittleLeague.org. To ensure training is properly credited to your league, volunteers must select the correct league during account setup (by league name or league ID).

Basic Steps

1. Visit **LittleLeague.org** and open **Little League University** from the Quick Links menu.
2. Log in or create an account.
3. When creating an account, select your **local league** to ensure credit is recorded correctly.
4. From the **Learner Dashboard**, select **ALL** to view available courses.
5. Enroll in desired courses.
6. Track progress under **Enrolled** and **My Timeline**.
7. After completion, download certificates as needed. Completed courses are visible to the District Administrator through LLU reports.

Required Training

- **Abuse Awareness Training** – Mandatory for **all volunteers**
- **Safety Awareness Training** – Mandatory for **managers, coaches, and board members**
- **First Aid Awareness Training** – Mandatory for **managers, coaches, and board members**
- **2026 Resource Guide Companion Courses**
  - **PREPARE**
  - **PLAY**
  - Required for **all local board members** and establish best practices before and during the season

Proper completion and league selection ensure compliance, accurate reporting, and eligibility for league and district requirements.
